Please make sure you've pre-booked, reserved or organised all your travel before you arrive at the party!

DRIVING & PARKING

If you're driving to site, all you need to do is follow your satnav to the postcode SG7 5JX and then follow the signs.

Make sure you reserve your parking space before you get to the festival - it'll cost you more on the day!

DROP OFF & PICK UP

If you're getting a lift to the festival from someone who isn't staying, then we highly recommend that you arrange to be picked up / dropped off from Baldock Station and finish your journey on an official shuttle bus.

These buses get priority entrance and greatly cut down on traffic for both the festival and the local community!

TIPS & WELFARE

• RE-ENTRY

There is no re-admission to the festival or car park at any time, so bring everything you need in with you when you arrive. Tickets will be scanned on entry to the festival and exchanged for a wristband, meaning that they cannot be used again.

• ALCOHOL & FOOD

Alcohol and food will be available at the festival all day and night! Those with camping tickets will be able to bring a small amount of food and soft drinks into the campsite (amounts are up to the discretion of the security team).

They'll also be able to bring in a personal amount of alcohol equivalent to six cans of beer or cider OR one litre of wine. Strictly no glass and no hard spirits will be allowed on site, and all personal alcohol must remain in the campsite.

• TENTS & CAMPING

Make sure you bring a tent to sleep in! Please note that there isn't enough space for gazebos, additional tents or unnecessarily oversized tents, and they will not be allowed onto the campsite.

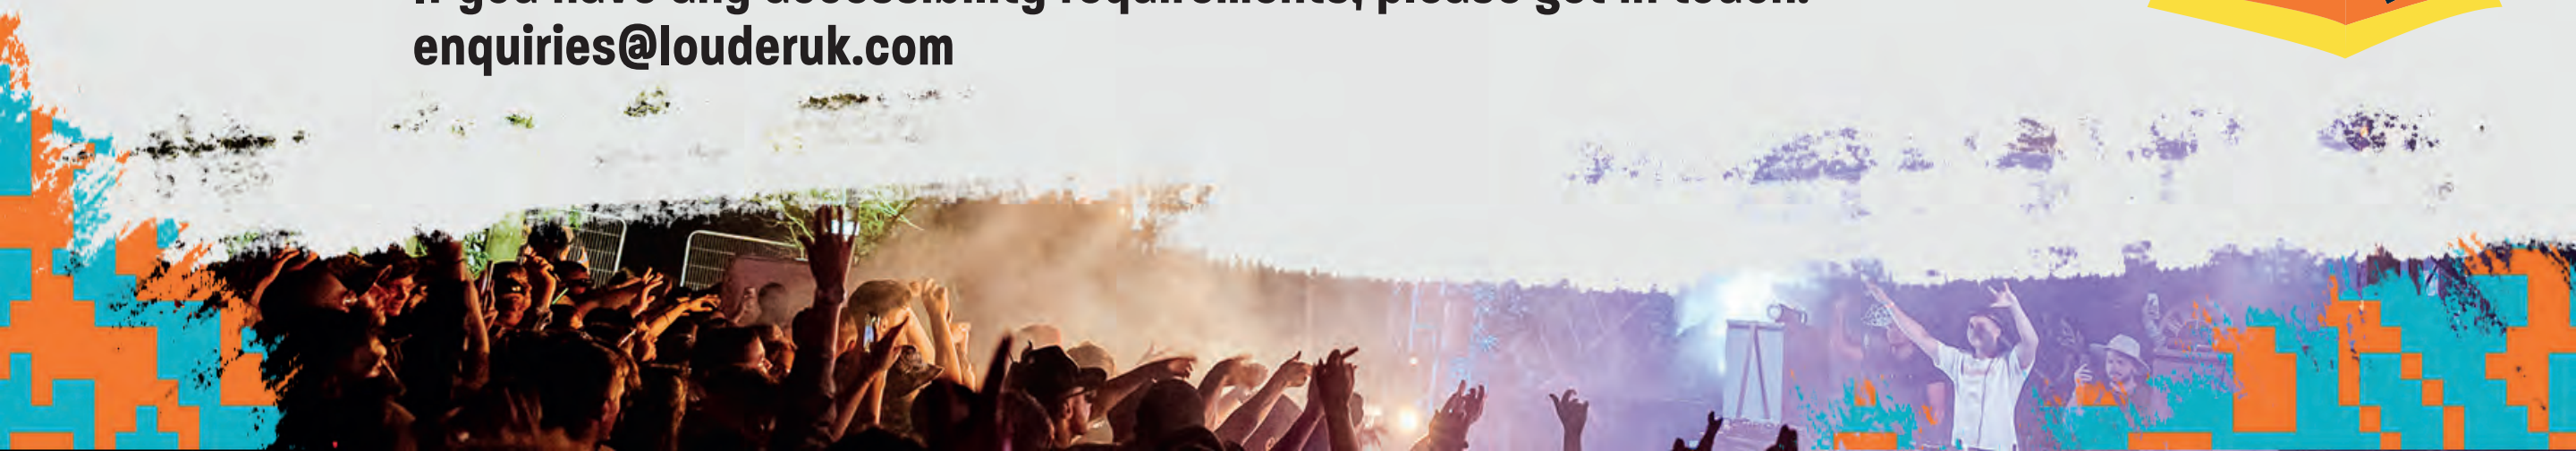

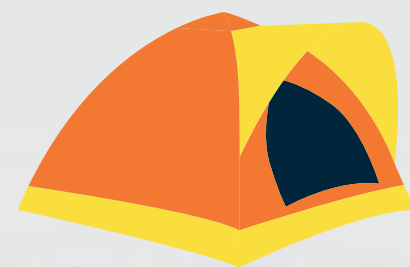

We do not have the facilities to support live-in vehicles, and as such none will be allowed onto site either.

• MEDICAL & WELFARE

The medical team are always present on site and will be clearly visible by the main entrance. If you need to bring any medication to the festival, please ensure you bring it in the proper container, with the valid prescription and present it to security at entry. The Welfare team are available 24 hours a day to support all attendees. They offer a supportive and non-judgemental environment for anyone facing challenging or distressing experiences in a safe and calm space.

.ACCESSIBILITY

If you have any accessibility requirements, please get in touch!

The background of the poster is a collage of various festival photos. A large white diagonal band runs from the top-left to the bottom-right, serving as a background for the title and list. The photos show people dancing, drinking, and having fun at a festival. The corners of the poster are decorated with yellow and black pixelated patterns.
